Ulysses Resident Hospitalized After Crashing into a Tree

Jamie Arbogast of Ulysses received injuries Tuesday at about 2:30 PM after a one vehicle crash near Ulysses. The 42 year old was driving a 1992 Ford Passenger Truck east on Hampton Road when Arbogast drove off the south edge of the road, overcorrected, and drove through the north ditch and into a field. The vehicle continued over a terrace, through a barbed wire fence, across a plowed field, and collided with a tree. Arbogast was taken to Bob Wilson Memorial Hospital in Ulysses.
