Eichman Wins Laptop

With Springfest Homeshow 2009 in the books, vendors, attendees, and organizers have rated this years event as one of the best ever. With over 70 booths, and entertainment throughout both days, record crowds strolled the aisles at the Seward County Activity Center. One vendor, John Weibe of John Weibe Construction, who has attended several home shows, said " Now it's time to get to work. I've gotten some jobs and several leads from this weekend alone." Attendees also had a chance to register for a laptop computer at the KSCB/Legend booth. Winning the laptop in the drawing held this morning on B107.5 was Rueben Eichman of Liberal. On behalf of every one at Seward County Broadcasting, a huge THANK YOU to all of the vendors, attendees, entertainers, and of course the entire staff at the Seward County Activity Center. See you at the fall show.
